

Austin Regional Project List

Project Priority	Project Name	Project Cost	Market Package Name
High	CECC CAD System TxDOT ATMS Integration	\$325,000.00	Mayday Support
			ITS Data Warehouse
			Transit Security
			HAZMAT Management
			Emergency Routing
			Emergency Response
			Incident Management System
High	Austin Region Construction/Maintenance Database	\$500,000.00	Incident Management System
High	City of Round Rock Communication Integration	\$500,000.00	Regional Traffic Control
High	Route Diversion Planning for Incident Management - IH-35	\$25,000.00	Incident Management System
High	Williamson County Communication Integration	\$500,000.00	Incident Management System
			Mayday Support
			Emergency Response
High	City of Austin Commodities Freight Integration	\$300,000.00	ITS Data Warehouse
			Traffic Information Dissemination
High	Arterial Dynamic Message Signs	\$500,000.00	Traffic Information Dissemination
			Incident Management System
			Surface Street Control
			ITS Data Warehouse
			Freeway Control
High	Austin Regional 511 Telephone System	\$0.00	Broadcast Traveler Information
			Transit Traveler Information
High	Capital Metro Transit Integration	\$500,000.00	Transit Traveler Information
			Traffic Information Dissemination
High	City of Austin Web Page	\$125,000.00	Traffic Information Dissemination
			Broadcast Traveler Information
High	Extend Highway Advisory Radio System	\$0.00	Traffic Information Dissemination
High	TxDOT Austin TMC Traffic Information Dissemination	\$150,000.00	Traffic Information Dissemination
High	Capital Metro Public Security Integration	\$300,000.00	Transit Security
High	Austin Region Roadway Weather Information System (RWIS)	\$50,000.00	Road Weather Information System
High	Austin Region Roadway Weather Information System (RWIS)	\$250,000.00	Road Weather Information System
Medium	City of Austin IH35 Signal System Integration	\$300,000.00	Regional Traffic Control
Medium	City of Austin Signal System Integration	\$300,000.00	Regional Traffic Control
Medium	Texas Turnpike Authority Integration	\$500,000.00	Regional Traffic Control
Medium	Install 1 mile of Extended Mile markers and Ramp signs	\$4,000.00	Mayday Support
Medium	CapMetro Transit Traveler Information System - Transit	\$700,000.00	Transit Traveler Information
Medium	City of Austin Transit Integration	\$250,000.00	Transit Traveler Information
Medium	Traffic Forecast and Demand Management System - TMC	\$1,073,000.00	ITS Data Warehouse
			ITS Data Mart
			Traffic Forecast and Demand
Medium	Traffic Forecast and Demand Management System - TMC	\$30,000.00	ITS Data Warehouse
			ITS Data Mart
			Traffic Forecast and Demand
